We continue to pray for the families and communities where lives and sense of safety have been shattered.

Several years ago, the United Church of Christ had a motto,

To believe is to care, to care is to do.

I particularly like those words because they speak to my understanding of who I am called to be as a faith-filled child of God. I cannot simply profess my faith. I am called to demonstrate it in a variety of ways.

Building on that understanding, Brenda Sievers and I have been chatting about how we shared an interest in providing Faith UCC members and friends of all ages the opportunity to put their faith in motion.

We began by thinking about how we can present volunteering opportunities for members by highlighting volunteer opportunities in the area. Then our discussion went down some other paths (as enlivening conversations often do) and we began envisioning activities that could bring folks together (both from the church and the community) by participating in something they *currently* enjoy or *might* enjoy or *want* to enjoy but don't know how. While we still want to do some work on volunteering options, we decided bringing folks together was a good place to begin building community.

If you didn't already know, Brenda is part of a writing group in Florida. She has shared selections from her writing (some inspirational, some humorous, some touching, all enjoyable) with the Faith UCC Tuesday Morning Book Study group and we are big fans! Brenda has volunteered to share her gift and passion for writing with the rest of us.

I love the way Brenda offers her writing group idea by asking, "Have you ever thought about writing down some of your life stories? We ALL have stories! Then perhaps we could share some of our stories with others, like our nursing home residents for example."

We also talked about learning other types of skills together – making a pie, a special cookie, a bowl of chili or another favorite family recipe. We could then share our "results" with others. We have some wonderful bakers and cooks in our congregation who we hope will be willing to teach us their skill. Brenda is one of them. While in Florida, she learned how to make gnocchi (yum!) from her Italian friends and is ready to share her knowledge!

We also have folks in the congregation who can knit. Crochet. Sew. Paint. Garden. We have so many opportunities for people of all ages to learn together and grow together.

How about you? Is there something you would like to learn? Is there a skill you would be willing to share? It starts with a ripple. A ripple that can spread beyond just Faith UCC.

To believe is to care, to care is to do.

There are many ways we can care and share our skills with others, and through that our faith and our love shines through. We've listed just a few – what ideas might you have? Brenda and I would love to hear them. Let's chat!

Also, looking into once weekly free lunch for any child in the community, looking into funding and options to ensure we can support this service. There has been people willing to donate for the food already. Will need a high school helper every day this year. All profits from the day camp will end back at the Church. Congratulations!

Congratulations to **Hunter Johnson**, Tripoli High School 2024 graduate! Faith UCC sends our best wishes to you as your life journey continues!

Congratulations to **Roger Goudschaal** who was selected as the 2024 Tripoli Friend of Education. Through his annual work on the Tripoli Variety Show helping to raise funds for the Tripoli Fine Arts programs and the many other ways he volunteers his time, talents, and treasures to the school, we think the committee made a great decision!

Congratulations to **Darlys Buhrow** who retired from Tripoli Schools after many years of service! How many kids do you suppose have ridden on her bus? Undoubtedly, she has made lots of memories with the Tripoli school kids. Darlys, we thank you for all you have done for the school through the years! Enjoy your retirement!

Congratulations to **Kim Bunce**, Wartburg College Office Coordinator of Scholarships and Gift Planning, on her retirement. Kim worked for the college for 35 years and helped to make a big difference in the lives of countless students. Enjoy your retirement, Kim!

Thank You!!!

From our **Drop-A-Stitch** group...

We want to thank all those who have donated to our yarn supply. We will keep “stitchin’!”

Thank you, **Keith Stahlhut**, for using your son Trevor’s memorial money to gift the church with five trees. Throughout the church campus, Eli has planted (thank you, Eli) a Red Bud, an Autumn Fantasy Maple, an Autumn Blaze Maple, a Fall Fiesta Maple, and two Pear trees — one Bartlett and one D’Anjou. The two pear trees are planted near the sidewalk on the northeast corner of the lot. It is Keith’s hope that when the pear trees begin producing fruit, passersby will take a pear and enjoy!

On Tuesday, May 21, an EF4 tornado hit the city of Greenfield and in approximately one minute damaged or destroyed 153 homes. Faith UCC quickly responded by notifying church members and the Tripoli community that we would be collecting items requested by the Greenfield UMC for the community. On Sunday, May 26, Jackie Kuhrt-Hansen and her family packed up the MANY donations and delivered them to Greenfield. Together we helped to make a difference!

On Sunday, May 12, the home of Josh Franzen and family was destroyed by fire. Fortunately no one was injured but the family lost everything. Once again the members of Faith UCC responded generously with monetary gifts and gift cards to the Franzen family. Caring for others, just like Jesus said. Livin’ the Gospel, Faith UCC! We are livin’ the Gospel!
